Sue and Bill Gross Stem Cell Research Center

"STEM CELL FUND FOR EXCELLENCE" CONTRIBUTION FORM

I support the Sue and Bill Gross Center for Stem Cell Research at UC Irvine, which expands UCI's stem cell research infrastructure so that Orange County researchers can develop new treatments and cures for spinal cord injuries, diabetes, cancer, and brain disorders like Parkinson's, ALS and Alzheimer's. UCI's Stem Cell Research Center brings dollars into the community to fuel research at our scientific facilities and medical hospitals, benefiting the Orange County economy.

I am pleased to make this charitable contribution to the Sue and Bill Gross Stem Cell Research Center in the amount of $_____.

_____
Name (please print)

_____
Mailing Address City Zip

_____ _____
Daytime Phone E-mail Address

_____ _____
Signature Date Signed

Enclosed is my donation for _____ payable to the "UCI Foundation."
Please write "Stem Cell Fund for Excellence" in the memo section of your check.
Contributions made to UC Irvine are tax deductible within IRS regulations.

- ☐ I would like to receive e-mail updates and pass them along to my friends and family.
- ☐ Please add me to your volunteer list so I may help by attending events in my community.
- ☐ I am willing to write letters to the editor of local newspapers.
- ☐ I would like to invite a UCI stem cell expert to speak to my community organization.

Please mail or fax this completed form to:
