SOURCE SELECTION & PRICE REASONABLENESS JUSTIFICATION FORM (SSPR)
(SSPR form) – This form is required for all federally funded purchases greater or
equal to $10,000 (including tax and shipping), to substantiate the appropriateness
of source selection and price reasonableness.

Its purpose is to outline the rationale behind making a purchase from a single or
sole source supplier, rather than through a competitive bidding or sourcing
process. This showcases that our organization is committed to fair competition
and has a valid reason for deviating from standard competitive bidding processes.

To locate the form, visit this link:

selection-price-reasonableness-form.pdf
For more policy information regarding competitive threshold requirements, visit

uniform-guidance.php

PURCHASE REQUESTS: GUIDELINES
To avoid delays in purchasing processing, please review for the commonly missed
items before submitting your request:
   1. Request Justification
   2. KFS account
   3. PI Signature
SUBMITTING A SERVICE REQUISITION AND/OR HIGH VALUE PURCHASE ORDER
To avoid delays in processing please **obtain a quote** to submit with your request.

**SMALL BUSINESS FIRST WAIVER**
As of March 1, 2021, all non-construction UC contracts and procurements between $10,000 to $250,000 (excluding tax but including shipping) that cannot be procured via an existing strategically-sourced agreement must be awarded to a SB/MB or DVBE, wherever practicable. This informal solicitation process requires only one (1) quote for purchases below $100,000, and only two (2) quotes for procurements above $100,000, with some waivers and exemptions allowed.

California Public Contract Code Section 10508.5 allows the University to award purchase agreements valued up to $250,000 to a certified SB/MB/DVBE without being competitively bid, so long as the University obtains price quotations from two or more certified businesses. The process and policy requirements for using the Small Business First program are outlined in BUS-43 (pdf). For further information about the Small Business First Program, visit this link: https://procurement.uci.edu/strategic-initiatives/small-business-first-program.php

**REIMBURSEMENTS**

**TRAVEL GUIDELINES: IMPORTANT CONSIDERATIONS WHEN PLANNING YOUR TRIPS**

**Airfare:**

1. Consider booking your trip through Connexxus. The UC managed travel system has built in guidance for compliance.
2. Book only a coach or economy-class ticket. Business, first-class or other higher-cost services (priority or early boarding, extra leg space, exit row seat, plus seating) are typically ineligible for reimbursement.
3. Don’t use package deals. These are generally ineligible for reimbursement, and trip insurance fees. Package deals often do not separate the cost of the hotel, air, and car costs.
4. Receipt requirements: Itinerary showing payment, fare class, passenger name and ticket number.
5. If you are considering choosing a flight other than a typical direct flight for any reason, please include a screenshot that shows the price of the typical flight for a comparison of costs.
Hotel:
1. Maximum rate: The lodging rate must be reasonable for the locality of travel; the max rate is $275 before taxes and fees.
2. Only room, tax and fees are reimbursable. Upgrades are typically ineligible for reimbursement.
3. In Room Dining: Please request an additional itemized receipt for the meal to submit with your reimbursement request.
4. Receipt requirement: Include final receipt (folio) of the stay.

Mileage / Using Private Vehicles:
1. Use your personal vehicle if less expensive than renting a car, taking a taxi, or using alternative transportation, or if it saves time.
2. Include a MapQuest or Google maps document that shows total mileage and start and ending address.

Meals:
1. Receipt requirements: Include the itemized receipt along with any other receipts that includes the tip amount.
2. Alcohol: Not reimbursable on federal or state funds.
3. Guest’s meals: Please note only your meal will be reimbursed.

Rental Cars:
1. Rent a car when it’s more cost effective than other means, such as taxi.

Car Service (ex. Uber/Lyft/etc.):
1. Receipt requirement: Please include a printout or scan of the receipt which includes your starting and destination addresses.
2. Labelling your car service trips. Labelling your trips (for example: home to SNA / conference hotel to dinner location) will help your travel arranger confirm the eligibility of the trip for reimbursement.

KFS TRAVEL AND EVENT MANAGEMENT (TEM) PROFILES:
How to add and arranger to your TEM Profile.

First, Getting to the TEM Profile Lookup Screen
1. **You can access the lookup with this link.** If you are able to access the lookup page, you can **skip to the steps on creating your profile**.

   a. If you cannot access the above link, you can access the lookup in ZotPortal.
      ii. Log in using your UCInetID and password. The login button is in the top right corner of the screen.

1. Select the **Finances/KFS** tab from the yellow navigation bar. This will take you to a screen full of portlets related to the campus financial system.

   1. Scroll down and find the **Travel & Event Management** portlet.
2. Select the + icon to expand the TEM Profile section.
3. Select the TEM Profile Lookup link. Lookup and select your UCInetID

Adding an Arranger to Your TEM Profile
1. As with all KFS Documents, you must enter a description and explanation in the Document Overview tab.
   a. The Description should be something very short. For example, it can just be your name.
   b. The Explanation should be something simple like "Adding an arranger to TEM Profile for [Your Name]."

1. Scroll down to the Arrangers tab - you can ignore all the others - and select the magnifying glass icon next to Principal Name.

1. Enter the UCInetID or First and Last name of the person that you want to add as an arranger into the Principal Name field.
2. Click on the Search button.
3. Click the return value link next to the name of the person that you want to add as an arranger.
1. You will be sent back to the previous screen with your arranger's information appearing in the Arrangers tab.
2. Select the green **Add** button.
Now you just need to finalize the document and complete the process. The buttons for saving and submitting the document are at the bottom of the window, so ...

1. Select the **Save** button.
2. Select the **Submit** button.

**And that's it!** KFS will automatically processes your document requesting a travel arranger.

**IMPORTANCE OF REDACTING PERSONAL INFORMATION FROM BACKUP DOCUMENTS**

Redacting personal information is an important step in maintaining privacy and security when submitting reimbursement requests. Common examples are:

1. Social Security Numbers
2. Home Addresses
3. Phone Numbers
4. Credit Card Numbers
5. Driver’s License Number
6. Birthdates
7. Unrelated purchases on credit card or back statements

**MEAL EXPENSES FOR MEETINGS AND ENTERTAINMENT: WHAT TO KNOW**

Keep in mind the following to avoid delays in processing your reimbursement:

1. **Eligibility and Purpose:** Make sure the meal is directly related to university business and include a justification in your reimbursement form.
2. **Documentation Requirements:** Original itemized receipts, including the date, location, names of attendees and detailed breakdown of expenses. Please include second receipt if the tip is not included in the itemized receipt.
3. **Maximum Reimbursement Amounts:**
   1. Breakfast $31 || Lunch $54 || Dinner $94 || Light Refreshments $22.
4. **Alcohol:** We cannot reimburse alcohol on federal or state funds.
5. Delinquency: Please submit your reimbursement requests as soon as possible. Requests submitted late may require an exceptional approval and justification.

6. How to Submit your reimbursement: All reimbursement forms and backup documents will be emailed to: purchase@rt.stemcell.uci.edu

**Equipment and Conference Room Reservations**

**Equipment**

Here’s a list of the [shared equipment and other resources](#) that the SCRC has to offer!

Shared equipment is reserved via iLab. Please register for iLab at the [following site](#).

Log in with your UCI credentials and choose your PI. If you receive any errors please send a screenshot of the error to [fawaza@uci.edu](mailto:fawaza@uci.edu). If your PI is not listed, please email your PI's first and last name and email address to [fawaza@uci.edu](mailto:fawaza@uci.edu) so that they may be added.

Once you have been trained on the equipment, you will receive access to reserve the equipment via iLab. All equipment also has paper sign-in sheets. A sign-in sheet is for signing-in once you begin using the equipment and is not a reservation.

If you have reserved the equipment but a user is using the equipment during your scheduled time that has not reserved, **you have priority to use the equipment** and can ask them to leave; let them know to reserve on iLab at a later time.
Conference rooms
If you would like to reserve a conference room, you may do so for rooms 2005, 2034, 3001, and 3034 via iLab. They can also be reserved at the tablet kiosks outside each conference room. Directions for reserving on the kiosks are found next to the kiosks.

The Thorpe conference center on the 4th floor (4000) and the 4th fl boardroom (4002) are reserved through Abbie at abbiee@hs.uci.edu.

Conference room rules are to:
1. Only reserve time you plan to use
2. Dispose of trash and push in chairs
3. Put spare food/drinks/utensils etc. from meetings in the break rooms with a note that says it is for anyone
4. Keep door unlocked when leaving (if the room is locked, there is a key on Allia’s desk by room 2102, please sign-in on the sign in sheet)
5. Let Allia know if the projector lamp requires replacing (if dim) at fawaza@uci.edu

Equipment Rules
For all shared equipment, you must:
1. Be trained by the Core Facility Staff
2. Schedule your time via iLab
3. Sign in on the sign-in sheet
4. Keep the area cleaner than you found it
5. Save your files to an external device (USB). Files should not only be stored on shared computers. Old data will be removed periodically to allow additional space without notice. Do not save data on the computer desktop.

For your safety, please pay attention to all signs surrounding equipment. Some equipment have a gloves on policy when using computers for the equipment while others have a gloves off policy. All door handles and elevator buttons have a gloves off policy.

If equipment is not functioning properly or you need assistance, please contact Allia or Vanessa via email. Also let us know if we are out of stock on necessary
items for the shared equipment (such as ethanol, kim wipes, lens paper, and cotton swab cleaning tips for the microscopes).

**Recharge Equipment**
Most equipment is free to use with the exception of the following:

**Building Access**
If you require a keycard to be activated, please email the 5 or 6 digit number on your keycard and your PI’s approval to fawaza@uci.edu. If your lab does not have a spare keycard to activate, please send your lab’s KFS account and project code with your PI’s approval to purchase one.

Lost or stolen keys/keycards should be reported to both the PI/lab manager and fawaza@uci.edu immediately.

Additionally, one should NOT grant access to the building (e.g., by holding a door to the building open) to anyone without a keycard unless they are known to you. Also, doors to the building should NOT be propped open to allow access.

If you see an individual in the building that you do not recognize, asking whether they need assistance is a great opener. This includes any sales representatives that do not have an appointment for any specific lab. You may kindly refer them to fawaza@uci.edu to set up a vendor show.

If you are concerned about an individual, please feel free to contact fawaza@uci.edu or any of the SCRC staff. In the evenings/weekends, as for anywhere on campus, the UCIPD will respond as necessary if there is an identified
concern regarding legitimate access. Just so you are aware, this building is under constant surveillance which is monitored when needed.

Once you terminate your position with the center, please let Allia know and she will deactivate your keycard and remove you from the mailing list. I keep an updated contact list of all lab members to communicate about important equipment and building related matters.

**SCRC’s Events**
For information regarding the SCRC’s events such as community lectures, please click on the following link.

**Break/Lunch Rooms**
We have break rooms available on the 2nd, 3rd, and 4th floors with fridges/freezers, water dispensers, and microwaves and other appliances. The room rules are to:
1. Wipe the tables and push in chairs after use
2. Dispose of trash in the appropriate containers (trash or recycling)
3. Write your name and date on all food
4. Wipe sink counters down and any spills in fridge/freezers
5. Run disposal if food is in sink
6. Do not leave items in the sink or counters
7. Store dishes in labeled cupboards & cabinets
8. If you have spare food/drinks etc. from meetings, leave a note that says it is open for anyone
9. Keep from microwaving foods with more potent aromas (such as fish)
10. Clean microwave and other appliances used
11. Replace water dispenser containers when empty
12. Clean out fridge every Friday

**Printer/Copier Access**
We have a shared printer/copier on the second floor by the break room. To access the printer you must install the driver here. Install the printer using the IP address: 128.200.249.45 (port #: 9100). Aside from printing and copying, features also include emailing documents, faxing, and saving to your USB. If the printer is out of paper or toner, please let Allia know at fawaza@uci.edu. The printer is NOT for personal use, it is only for printing items related to your research; do NOT print items for your courses. Please print in black/white when possible.
Building Maintenance
If you notice any building maintenance that needs to be reported such as broken paper towel dispensers, lights that need to be replaced, doors not shutting correctly, uncomfortable temperatures that require adjustment, etc., please call facilities directly (949-824-5444 or extension 4-5444) or email them at fm-servicedesk@uci.edu.

Internet Access
If you need access to internet, your lab can submit a request to OIT [here](https://example.com). Follow directions under manual registration and enter in your computer’s MAC address. For any issues, contact HS OIT (extension 4-3434).

Hazardous Waste and Trash/Recyclables
Hazardous waste pick-up can be submitted via text by following this set of instructions. Please be mindful to place trash in the trashcan and recyclables in the recycling bin. Flatten all cardboard boxes and place directly behind the recycling bins for pick-up on the 1\textsuperscript{st}, 3\textsuperscript{rd}, and 4\textsuperscript{th} floors, or on the table in the middle hallway of the 2\textsuperscript{nd} floor.

Cold Rooms
The SCRC has two shared 4°C cold rooms on each floor for floors 1-3 and one on the 4\textsuperscript{th} floor. Cold room guidelines are to:
1. Store items on lab’s labeled racks only
2. Label lab’s items with lab name
3. Make sure no mold is growing
4. Keep room clean and tidy
5. Turn light off when leaving the room
6. Shut the door behind you when both enter and leave the room
7. Do NOT keep items in cardboard boxes in room (they harbor mold)
8. Do NOT store dry ice in cold rooms (asphyxiation hazard)
9. Do NOT store items on the floor or in the sink. Items left on the floor or sink are subject to being removed and discarded
10. Place trash receptacles outside of the cold room
11. Clean up any spilled liquid
12. Report water leaks or other mechanical issues to myself or Facilities Management immediately
Emergency Freezers
If you would like to defrost your freezers or have an emergency with your freezers and need to temporarily store your items, we have emergency 4°, -20°, and -80° freezer space that you may use which require my approval, reservations made via iLab, and a sign-in sheet to be filled out.
As a side note, make sure to perform regular maintenance on your own lab’s freezers as recommended by the manual and to have your lab’s biosafety cabinet (BSC) certifications up to date via TSS or company listed on your BSC. Fume hood issues should be reported to EH&S (extension 4-6200).

Dry Ice, Purified Water, & Lab Space
Labs also have access to shared dry ice (found in a container in the middle hallway of each floor) and Millipore purified water that is pyrogen-, nuclease-, protease- and bacteria-free for your research on both sides of the lab space on each floor. Each floor is designated as a south and north side, each side with 8-10 bays. Each bay sign is labeled with the location (N/S), lab name, and bay number. There are spaces on the sign to write in where lab members’ desks are located or equipment is stored.

Emergency/Evacuation Alarms
We must always treat evacuation causes as potential threats. During an alarm, we will evacuate via the stairs (do NOT take the elevator). If you require assistance, please let a lab member know. Once evacuated, stand away from the building. On the first floor, we should stand in the middle walking area of the parking lot. On the basement level, also please stand away from the building in the parking lot. Do not enter the building until an officer tell you that it is safe to do so.

Please let Allia know if you have any questions at fawaza@uci.edu.
